# Long Hot Summer (Club Mix)

## The Style Council

I play out my role
Why I've even been out walking
They tell me that it helps
But I know when I'm beatenAll those lonely films
And all those lonely parties
But now the feeling is off-screen
And the tears for real not acted, anymoreI'm all mixed up inside
I want to run but I can't hide
And however much we try
We can't escape the truth and the fact isDon't matter what I do
It don't matter what I do
Don't matter what I do
Don't matter what I do
Don't matter what I do
'Cause I end up hurting youOne more covered sigh
And one more glance you know means goodbye
Can't you see that's why
We're dashing ourselves against the rocks of a lifetimeDon't matter what I do
It don't matter what I do
Don't matter what I do
Don't matter what I do
Don't matter what I do
'Cause I end up hurting you(In my mind different voices call)
What once was pleasure now's pain for us all
(In my heart only shadows fall)
I once stood proud now I feel so small
(I don't know whether to laugh or cry)
The long hot summer just passed me byI want to run but I can't hide
Don't matter what I do
It don't matter what I do
Don't matter what I do
Don't matter what I do
Don't matter what I do
'Cause I end up hurtingIt don't matter what I do
It don't matter what I do
It don't matter what I do
It don't matter what I do
It don't matter what I do
'Cause I end up hurtingIt don't matter what I do

It don't matter what I do
It don't matter what I do
It don't matter what I do
It don't matter what I do
'Cause I end up hurting(In my mind different voices call)
What once was pleasure now's pain for us all
