

Remember Me

The Little Willies

[Chorus]

Remember me when the candle lights are gleaming,
Remember me at the close of a long, long day.
It would be so sweet when all alone I'm dreaming
Just to know you still remember me.
The sweetest songs belong to lovers in the gloaming,
The sweetest days are days that used to be.
The saddest words I ever heard were words of parting
When you said "Sweetheart, remember me."

You told me once that you were mine alone forever
And I was yours till the end of eternity.
But all those vows are broken now, and we will never
Be the same except in memory.

[Chorus]

A brighter face may take my place when we're apart, dear,
A sweeter smile, a love more bold and free.
But in the end, fair weather friends may break your heart, dear.
If they do, sweetheart, remember me.

[Chorus]
