Saying Goodbye

Sugarcult

She kisses everyone goodbye
And waves her middle finger high
They're never gonna mess with her again
The drama queen is seventeen
And sleeping with boys for free
She's got a reputation of being easy
Everytime they put her down, she makes a fist and the tears roll down
She packs her bags and plans to run away
She's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops now
She thinks about herself and cares about nobody else
Because the only friends she has all put her down
They hate her when she's beautiful and even more when she's a fool
They talk behind her back when it's her birthday
Everytime they put her down, she makes a fist and the tears roll down
She packs her bags and plans to run away

And everytime she makes a friend, the vicous cycle starts again
She's never, ever, ever looking back
She's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops now
She's saying goodbye, she's wasted all her loney tear drops
Saying goodbye, she's used up all her lonely tear drops now
Everytime they put her down, she makes a fist and the tears roll down
She packs her bags and plans to run away from here
And everytime she makes a friend, the vicous cycle starts again
She's never, ever, ever looking back
She's saying goodbye and leaving tonight
She's wasted all her lonely tear drops
She's saying goodbye and leaving tonight
She's used up all her lonely tear drops now
She's wasted all her lonely tear drops now
