

# Saying Goodbye

## Sugarcult

She kisses everyone goodbye  
And waves her middle finger high  
They're never gonna mess with her again  
The drama queen is seventeen  
And sleeping with boys for free  
She's got a reputation of being easy  
Everytime they put her down, she makes a fist and the tears roll down  
She packs her bags and plans to run away  
She's saying goodbye and leaving tonight  
She's wasted all her lonely tear drops  
She's saying goodbye and leaving tonight  
She's used up all her lonely tear drops now  
She thinks about herself and cares about nobody else  
Because the only friends she has all put her down  
They hate her when she's beautiful and even more when she's a fool  
They talk behind her back when it's her birthday  
Everytime they put her down, she makes a fist and the tears roll down  
She packs her bags and plans to run away

And everytime she makes a friend, the vicious cycle starts again  
She's never, ever, ever looking back  
She's saying goodbye and leaving tonight  
She's wasted all her lonely tear drops  
She's saying goodbye and leaving tonight  
She's used up all her lonely tear drops now  
She's saying goodbye, she's wasted all her lonely tear drops  
Saying goodbye, she's used up all her lonely tear drops now  
Everytime they put her down, she makes a fist and the tears roll down  
She packs her bags and plans to run away from here  
And everytime she makes a friend, the vicious cycle starts again  
She's never, ever, ever looking back  
She's saying goodbye and leaving tonight  
She's wasted all her lonely tear drops  
She's saying goodbye and leaving tonight  
She's used up all her lonely tear drops now  
She's wasted all her lonely tear drops now
