Bad Dreams

Rag Doll Sounds

Hello! This is your worst nightmare speaking
Last night I went in your head to visit
Funny, how you look while you are weeping
Iâ€™m not sorry if you are not having good sleeping

You were running, almost crying, you were sweating
Youâ€™re not sure where your feet should be stepping
Tonight, Iâ€™ll come and see you again
Iâ€™m your nightmare, soon Iâ€™ll be your best friend

I donâ€™t know where I should stop
I grew up while you ere growing up
I fed in your worst fears
I became the worst throughout all these years

Hello! This is your worst nightmare speaking
Last night I went in your head to visit
Funny, how you look while you are weeping
Iâ€™m not sorry if you are not having good sleeping
