

# Love Drought

Beyoncé©

Ten times out of nine, I know you're lying  
But nine times outta ten, I know you're trying  
So I'm trying to be fair  
And you're trying to be there and to care  
And you're caught up in your permanent emotions  
All the loving I've been giving goes unnoticed  
It's just floating in the air, lookie there  
Are you aware you're my lifeline, are you tryna kill me  
If I wasn't me, would you still feel me?  
Like on my worst day? Or am I not thirsty, enough?  
I don't care about the lights or the beams  
Spend my life in the dark for the sake of you and me  
Only way to go is up, skin thick, too tough

Cause you, you, you, you and me could move a mountain  
You, you, you, you and me could calm a war down  
You, you, you, you and me could make it rain now  
You, you, you, you and me could stop this love drought

Nine times out of ten, I'm in my feelings  
But ten times out of nine, I'm only human  
Tell me, what did I do wrong?  
Feel like that question has been posed  
I'm movin' on  
I'll always be committed, I been focused  
I always paid attention, been devoted  
Tell me, what did I do wrong?  
Oh, already asked that, my bad  
But you my lifeline, think you tryna kill me?  
If I wasn't me, would you still feel me?  
Like on my worst day? Or am I not thirsty, enough?  
I don't care about the lights or the beams  
Spend my life in the dark for the sake of you and me  
Only way to go is up, them old bitches so wack  
I'm so tough, wassup?

Cause you, you, you, you and me could move a mountain  
You, you, you, you and me could calm a war down  
You, you, you, you and me could make it rain now

You, you, you, you and me would stop this love drought

You and me would stop this love drought
