

Guide for the Helpless

War of Ages

Can I withstand all the pain that dwells within.
I won't let go for my wounds are far too deep.
I'm on my knees in submission to the pain I've caused.
Will I give in or can I find the will to breathe again.
I never thought I'd be on my own.
Now bring me peace that shelters me.
You shed your blood just so I could live again.
For a time I walked in darkness yet you were there to lead me through. Heal me.
Take my hand.
Lead me from this place.
Guide my heart.
I am yours.
I give myself to you.
Bring us hope.
Give us strength.
Now set us free.
Heal me, take my hand.
Lead me from this place.
Guide my heart.
I am yours, I give myself to you
