

Come What May

[Mario Frangoulis](#)

Never knew I could feel like this
Like I've never seen the sky before
Want to vanish inside your kiss
Everyday I love you more and more Listen to my heart, can you hear it sings?
Telling me to give you everything
Seasons may change winter to spring
But I love you until the end of time Come what may, come what may
I will love you until my dying day Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around you And there's no mountain too high, no river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather and stars may collide
But I love you until the end of time Come what may, come what may
I will love you until my dying day
Oh, come what may, come what may
I will love you Suddenly the world seems such a perfect place Come what may, come what may
I will love you until my dying day
