The Zoo

R. Kelly

I wanna see your body, I wanna feel your body
I wanna touch your body, I wanna kiss your body
I wanna freak your body, I wanna sex your body
Theres nothing like your body, your bodyIt's like a jungle atmosphere and we're two monkeys baby
It's like we're on a vine the way we're swingin it baby
See, you're a tiger girl the way you're scratchin me
I'm a lion in this jungle I'm a kingGirl, I got you so wet, it's like a rain forest
Like Jurassic Park except I'm your sex-a-saurus baby
You and me hoppin like two kangaroos
Rattlin and moanin out here in these woodsOoh ooh ooh ooh, ah ah ah ah
Those are the sounds I wanna hear
When you're moanin in my ear
Girl you're singin to me
Ooh ooh ooh ooh, ah ah ah ah
You got me locked up in your cage of ecstasy
And I don't wanna be freeCause it's wild like a zoo
And that's the way I like it baby
Crazy me and you
Makin' love like we was just two heated animals
Baby come and lay with me in my jungleOoh, I swear I'm about to go
Turn your body around and beat the skins like it's a bongo
A thousand birds up out the tree, girl, like a swarm of bees
That is how it's gonna be climaxin', you and meTouch the root of your soul
Let Mother Nature take control
Over us is rain and leaves
So come on girl let's plant these seeds, yeahOoh ooh ooh ooh, ah ah ah ah
Baby those are the sounds I wanna hear
When you're moanin in my ear, singin
Ooh ooh ooh ooh, ah ah ah ah
You got me locked up in your cage of ecstasy
And I don't wanna be freeCause it's wild like a zoo
And that's the way I like it baby
Crazy me and you
Makin love like we was just two heated animals
Baby wont you come and lay in my jungle?
Y'all don't understandLike two cheetahs runnin' free
African butterflies to me
You're my safari fantasy
Girl this is heaven to meBaby we are like coconut and banana trees

It's a tropical, tropical chemistry
Like the wildlife I'm doin' you baby, I'm doin' you baby
You're doin' me baby, you're doin' me baby
It's you and me, it's you and me goin' wild!Wild like a zoo
And that's the way I like it baby
Crazy me and you
Makin' love like we was just two heated animals
So baby come and lay with me in my jungle
I don't wanna break free'Cause this is wild like a zoo
Just the way I like it baby
Crazy me and you
Makin' love like we was just two heated animals
Girl come and lay with me in my jungleGirl I like it 'cause it's wild like a zoo
Crazy me and you
Heated animals
Girl come and lay with me in my jungle
And the whole jungle goesOoh ooh ooh ooh, ah ah ah ah
Ooh ooh ooh ooh, ah ah ah ah
Ooh ooh ooh ooh, ah ah ah ah
Ooh ooh ooh ooh, ah ah ah ah
