# One Man

## R. Kelly

Baby, I'm sorry
(Hmm)
Sorry for the things that happened to you, baby
(Not gonna let you down)
I'll show you that I'm not gonna do those things
(Yeah yeah, yeah yeah, yeah yeah)
That he did to you
(Yeah yeah, yeah yeah)
I'm gonna love you I'm gonna hold you
(Hmm hmm hmm yeah)
I'm gonna give you everything that your heart desires
(Not gonna let you down)
You don't have to question love
(You don't have to question love)
'Cuz when I get home I'll show you love
(When I get home I'll show you love)I know you're hurting baby because of what he did
But here I am to rescue you from that man of sin
He took your life from you and noted you for him
Promised you brighter days but now your light is dim
He had no right to do the things he did to you
If I had half a chance girl, I'd be good to you
Don't let, don't let, don't let, don't let
Don't let what happened in your past hurt our futureOne man can make one women hate all men
(Tell me why is it that?)
One man can make one woman hate all men
(Ohh, makes a woman hate all men)
One man can make one women hate all men
(Ooh yeah)
(I'm sorry that he took your heart and did you in)You lived your life a lie now it's time to seek the truth
If it takes the rest of my days I'm gonna make it up to you
So you let your guards on down, I don't want to go no rounds
'Cuz baby, I'm here for you, truly, truly here for you
So don't let, don't let, don't let, don't let
Don't let what happened in the past hurt our future(One man can make one woman hate all men)
Oh, somebody tell me why is it that?
(One man can make one woman hate all men)
Man makes one tattered
Sometimes we can make a woman hate all men
(One man can make one woman hate all men)

Yes yes yes
Why is it that?
(One man can make one woman hate all men)
One man makes one woman, mmm mmm
Girl I'm sorry that he took your heart and did you in
(I'm sorry that he took your heart)I'm not the one to hurt you baby
(I'm not tryin' to hurt you)
I'm not tryin' to hurt you pretty baby, pretty baby
(I just wanna make sweet love to you)
Oh yeah, all I wanna do is make you feel good all over
(While making love all the things he said)
(He'd do to you and he didn't girl, I'll do for you)
Baby I'll do, vow to 'cuz I'm sorry that he took your heart
(Sorry that he took your heart)
And did you in, yeah(One man can make one woman hate all men)
Oh yeah
One man can make one woman hate all men
(One man can make one woman hate all men)
Why, why, why, why, why is it that?
One man can make one woman hate all men, woo
(One man can make one woman hate all men)
Girl I'm sorry that he took your heart and did you in, yeah(One man can make one woman hate all men)
Ladies, it was us all along
That made you get up and get out and do wrong
(One man can make one woman hate all men)
I know you really didn't wanna do it
Hey, but being pissed off at us led you to it
(One man can make one woman hate all men)
Yes it did, yes it did, yes it did
Oh, oh, ohIt mean I'm sorry baby
(One man can make one woman hate all men)
For coming in late, for being out all night, hell oh yeah
(One man can make one woman hate all men)
See I was so busy out there doing you wrong
(One man can make one woman hate all men)
While you were out there with somebody else
(One man can make one woman hate all men)
Getting your groove on
Oh, oh, oh(One man can make one woman hate all men)
I guess it's a lesson to be learned
(One man can make one woman)
Be careful of the bridge you burn
(One man can make one woman)
Hell well oh, yeah yeah
