I've Been Waiting All My Life

Flunk

When I see you
I've been wasting all my time to tell you
Oh, when I meet you
I've been waiting all my life to leave youBut when I'm down again
And I'm all alone
And when my head spins round
And I'm feeling smallAnd when I'm down again
And I'm all alone
And when my head spins round
And I'm feeling smallWon't you believe me
If I told you that I tried all I could
Would you deceive me
If I chose to leave it all up to youBut when I'm down again
And I'm all alone
And when my head spins round
And I'm feeling smallAnd when I'm down again
And I'm all alone
And when my head spins round
And I'm feeling small, ohWhen I see you
Would I dare to leave it all behindIt could be have and hold
If you'd see
It could be all I'd need
If you'd be hereIf you'd be here
If you'd be here, ohh
