

# Clap Your Hands

## A Tribe Called Quest

Brothers know the flaws when the Quest gets loose  
Slamming sucker fuckers like the wrestler Zeus  
Crazier than 2Pac in the flick called Juice  
Cock is longer than the hat worn by Dr. Seuss  
Love a girl in Daisy Dukes like them kids called Duice  
Gets paid to sex the hoochie like my main man Luke  
Control the mic like Denzel on the girls  
Wack MCs be on the nuts like Rocket J. Squirrel  
The worst thing in the world is a sucker MC  
Favorite rap group in the world is EPMD  
Can't forget the De La, due to originality  
And if I ever went solo my favorite MC would be me  
Phife Dawg up in the house, I give a shout out to Snoopy  
Peace to all the Questers, to hell with the groupies  
Like um, Ralph Malph to Potsie, Brooklyn to Dodger  
Laverne to Shirley, Rerun to Roger  
Ren to the Stimpy, Laurel to Hardy  
Q-Tip and Phife, they mashed up the party  
Kick the rhymes and more rhymes  
Kick the beats and more beats  
We'll have you scratching in your head like Shaheed on Technics  
For those who wanna oppose then take a stand  
But for now, just shut your shit and clap your hands  
You just wanna dance man, then clap your hands  
If you venture up the wrong road, then the circumstance  
Will be crucial, I got hundreds of rhymes that'll suit you  
So listen  
The Abstract intuition is very very worthy  
I can feel ya out from Russia to Jersey  
Can't understand the underground, it gets deep  
The Lo, the Nikes, the links, the jeeps  
The women, the lingo, and all the other goods  
Peace to the hoods, keep my shit on play  
Please don't do the mute when you hear me on the juke  
Brothers know the angle, it's the Star-Spangled black banner  
Hook up the beats at the funk manor  
If you want a roll, then the dough I be raking  
The scope is on the world cos it's mine for the taking  
You know I'm gonna do it  
My shit is rock solid, but it flows like fluid

Chemists get confused of my ill composition  
This is the third of the new Tribe addition  
MCs be swinging, but a lot of them be missing  
So shut your bloodclot and listen  
Cuz I'm bringin you the ill rendition  
I'd like to send this out to the L.E.S  
Gotta a lot of rhythm and style and finesse  
Come here love, hot sex on a plat  
And when your done with that then clapKeep bouncing
