Going North

Octavia Sperati

I wanna dance the tango with chance
And I wanna ride on the wire
'Cause nothing gets done with dust in your gun
And nobody respects a liarSo, goodbye for a while
I'm off to explore every boundary and every door
Yeah, I'm going northAnd I wanna know where children would go
If they never learned to be cool
'Cause nothing's achieved when pushed up a sleeve
So nobody thinks you're a foolSo, goodbye for a while
I'm out to learn more about who I really was before
Yeah, I'm going northUp where the hunted hide with ease
Under the arms of eyeless trees
Up where the answers fall like leaves
Or when your love is all I needYeah, I'm going north
I'm going north
Yeah, I'm going north, yeah
