Heart

Nancarrow

Written by Graham Nancarrow

Well my life seems to be through
Ain't the same since I met you
I can't eat or sleep and rarely talk
my friends say I'm the laughing stalk
and family has confirmed that it's all true

Passed by your house yesterday
Heard my lonely heart say
Look what she's done to your life
but I tried to ignore the signs
so I pulled up and I wondered on inside
and there she was with her hand upon his chest
ya, there I was
full on cardiac arrest
From now on we will always be apart
from now on I'll always listen to my heart

Like to say I shot 'em both down
and left their bodies lyin' on the ground
but I'm a better man than that
and felt like cuttin' her some slack
so I just walked up to him like a man

and I hit him hard
hit him right between the eyes
I knocked him down
I'm a man that tells no lies
from now on we will always be apart
from now on I'll always listen to my heart

and I hit him hard
hit him right between the eyes
I knocked him down
I'm a man that tells no lies
from now on we will always be apart
from now on I'll always listen to my heart
