

Fly Away

Michael Jackson

Our love's in motion, give me a notion 'cause
You know I'll never part our love goodbye
I love in season, give me a reason 'cause
You know I'll never part our love goodbye

And together we'll fly, I'll give you my heart
'Cause no place too far for us we don't need it

Our love's in motion, give me a notion 'cause
You know I'll never part our love goodbye
I love in season, give me a reason 'cause
You know I'll never part our love goodbye

And together we'll fly, I'll give you my heart
No place too far for us we don't need it

Baby, don't make me, baby, don't make me
Baby, don't make me fly away
Gonna stay, love today

Baby, don't make me, baby, don't make me
Baby, don't make me fly away
Gonna stay, love today

I love a notion, give me a motion 'cause
You know I'll never see, thing you see
I love a reason, give me a treason 'cause
You know I'll never part, I love so hard

And together we'll fly, I'll give you my heart
(I'll give you my heart)
No place too far for us, we don't need it

Baby, don't make me, baby, don't make me
Baby, don't make me fly away
Gonna stay and love today

Baby, don't make me, baby, don't make me
Baby, don't make me fly away
Gonna stay, love today

(Love is here to stay)

Alone at last, I give you my heart

(I give you my heart)

'Cause no place too far for us, we don't need it

Baby, don't make me, baby, don't make me

Baby, don't make me fly away

Gonna stay, love today

Baby, don't make me, baby, don't make me

Baby, don't make me fly away

Gonna stay, love today

Baby, don't make me, baby, don't make me

(I love you)

Baby, don't make me fly away

(I love you, love you)

Gonna stay, love today

(Love you girl, I)

Baby, don't make me, baby, don't make me

Baby, don't make me fly away

(Make me fly away)

Gonna stay, love today
