

# 1000 Times Before

## Slick Shoes

You're opened yourself up this time  
You don't know what to do or where to go  
You wanted to be everything to someone you couldn't trust  
Is this where you want your life to go? Here you go again  
Walking down this path  
You're seen a 1000 times before Here you go again  
Telling yourself the same old lies  
You're told a 1000 times before And know you shut yourself off  
Closed the door to reason  
It's time to take a look at yourself through honest eyes  
Give yourself that chance Here you go again  
Walking down this path  
You're seen a 1000 times before Here you go again  
Telling yourself the same old lies  
You're told a 1000 times before
