Why Do I Love You

Kathryn Grayson, Howard Keel

Suddenly she's leaving
Suddenly the promise of love has gone
Suddenly, breathing seems so hard to do
Carefully you planned it
I got to know just a minute to late, oh girl
Now I understand it
All the times we made love together
Baby, you were thinking of him
Why do I love you? Don't even want to
Why do I love you like I do? Like I always do
You should've told me, why did you have to be untrue?
Love you like I do, why do I love you like I do?
Ain't gonna show no weakness
I'm gonna smile and tell the whole world I'm fine
I'm gonna keep my senses but deep down
When no one can hear me, baby I'll be crying for you
Why do I love you? Don't even want to
Why do I love you like I do? Like I always do
You should've told me, why did you have to be untrue?
Love you like I do, why do I love you like I do?
Can't go back, can't erase
Baby your smiling face oh no
I can think of nothing else but you
Suddenly, suddenly
Why do I love you? Don't even want to
Why do I love you like I do? Like I always do
You should've told me, why did you have to be untrue?
Love you like I do, why do I love you like I do?
Like I always do
Why do I love you? Don't even want to
Why do I love you like I do? Like I always do
You should've told me, why did you have to be untrue?
Love you like I do, why do I love you like I do?
Like I always do
Love you like I do? Like I always do
Love you like I do? Like I always do
Love you like I do? Like I always do
Why do I love you?
Don't even want to

Why do I love you like I do?
