

Pick Me

Justin Bieber

Woah oh yeah
(Woah oh yeah)
Eh Eh
(we're chillin with the RCC - The Real Crystal Crew)
Woah oh oh yeah
You're the finest girl I've ever seen
And I wonder do you know this
That every guy you meet winds up catchin feelins for ya
You can have any of 'em
You can take your pick
But you need to check with me
Girl I promise I'm legit, yeah
Ya we'll be going to the movies
In the theater holding hands
I'll walk you home from school
I'll walk you to your classes
Playing my 360 as you be my best friend
But most of all baby doll you'll be my love love love
You should be pick me
So tell me can you dig it
I'm everything you need girl
So tell me can you dig it
I'll always be your number one number one fan (dig that)
And I should be your one and only man
You should pick me
So tell me can you dig it
Think of how good that it could be girl
So tell me can you dig it
I'll always be your number one number one fan(dig that)
And I should be your one and only man
You should pick me
Yeah, you should pick me girl
You're my favorite part of the day
And every morning I look forward to me seeing your face
I just need to see it some more
Baby I'm the kind of guy who can appreciate a girl as
amazing as you
So you gotta be my baby girl
Cause' we'll already be chillin' at the beach

I'll take you on a cruise, watch sun set while we eat
You can have anything you want cuz I'll be your best friend
But most of all baby doll you'll be my love love love

You should be pick me
So tell me can you dig it
I'm everything you need girl
So tell me can you dig it
I'll always be your number one number one fan (dig that)
And I should be your one and only man

You should pick me
So tell me can you dig it
Think of how good that it could be girl
So tell me can you dig it
I'll always be your number one number one fan (dig that)
And I should be your one and only man

You should pick me
You should pick the guy that makes you happy

Pick the flyest of 'em
Pick the one that's got swagger
Pick the one that makes you laugh
The one that always gots your back and
Who would rather die
Than make you sad
That's why you should pick me

So tell me can you dig it
I'm everything you need girl
So tell me can you dig it
I'll always be your number one number one fan (dig that)
And I should be your one and only man

You should pick me
So tell me can you dig it
Think of how that it could be girl
So tell me can you dig it
I'll always be your number one number one fan (dig that)
And i should be your one and only man

You should pick me
You should pick me
(the real crystal Crew)

Woah oh yeah
(Woah oh oh yeah)

Eh Eh
Woah oh oh yeah
