# Umbrellas and Elephants

## Cinematic Sunrise

Dressed up from head to toe, to get by.
it seems once again, I forgot what keeps me safe and dry.
to the weepy windowpanes, that are dripping with dew...
I can hear the rain outside, falling from the sky
and you can hear the...

pitter patter on the rooftop
you can listen to the rythem of the raindrops
I wish that the sun would come and stay
but this is a song for rainy days

(Leo D. quote from the movie Basketball Diaries = "You're growing up, and the rain sort of remains on the branches of a tree that will someday rule the Earth, and it's good that there is rain. It clears the month of your sorry rainbow expressions, and it clears the streets of the silent armies, so we can dance.")

let's go dance around in the rain
don't pay any attention to the people staring from inside
we'll leave all our cares behind
and you can hear it the...

and I know once the clouds shed their tears
I know that I'll be okay
I know that I'll be okay

even if the rain always wins
and forces my eyes shut, to dream of
I'll still dream of brighter days
