Judas

Depeche Mode

Is simplicity best or simply the easiest?
The narrowest path is always the holiest
To walk on barefoot for me, suffer some misery
If you want my love, if you want my love
Man will survive the harshest conditions
And stay alive through difficult decisions
To make up your mind for me, walk the line for me
If you want my love, if you want my love
Idle talk and hollow promises
Cheating Judas', doubting Thomas'
Don't just stand there and shout it
Do something about it
You can fulfill your wildest ambitions
And I'm sure you will lose your inhibitions
To open yourself for me, risk your health for me
If you want my love, if you want my love
If you want my love, if you want my love
If you want my love, if you want my love
...
