

Lick the Pavement

Garbage

You've got my number you
Know what I need
And I go crazy when
Ever I bleed Won't you come over I
Swear I'll be nice
My girlfriend told me that
You got a wife I learn to bribe I learn to say please
Oh won't you lick the pavement for me
I learn to bribe I learn to say please
I like you best when you're on your knees I know you're lonely 'cause
You're just like me
Why don't you call me you
Know where I'll be I learn to bribe I learn to say please
Oh won't you lick the pavement for me
I learn to bribe I learn to say please
I like you best when you're on your knees Do do do do do do
Do do do do do I learn to bribe I learn to say please
Oh won't you lick the pavement for me
I learn to bribe I learn to say please
I like you best when you're on your knees Do do do do do do do do when your on your knees do do do do
Oh won't you lick the pavement for me
Oh won't you lick the pavement for me, please, please
