

# Paper Tiger

[Sue Thompson](#)

Quit beatin' your chest and actin' like you're gonna bite a big hole out of me  
Quit messin' and testin' 'cause this ain't at all impressin' to me  
Paper tiger, paper tiger, you paper tigers are all alike  
Your roar is much worse than your bite  
Quit spyin' and sighin' and lyin' and tryin' to be so mean  
'Cause you ain't scarin' nobody, baby, you're just makin' a scene  
Paper tiger, paper tiger, you're just a flutterin' in the tree  
Ain't shakin' no one but the leaves  
Oh how you try to be so brave  
Thinkin' that I'll run back to ya and be afraid  
And so you try to come on strong  
Thinkin' that I will go along, but you're wrong  
Paper tiger, paper tiger, you paper tigers are all alike  
Your roar is much worse than your bite  
Your roar is much worse than your bite  
SPOKEN FADE: C'mere, kitty. Here, kitty, kitty, kitty ah ha ha ha ha
