

Stand (Live In Greensboro Coliseum, NC 11/10/89)

R.E.M.

Stand in the place where you live
Now face North
Think about direction, wonder why you haven't before
Now stand in the place where you work
Now face West, think about the place where you live
Wonder why you haven't before If you are confused, check with the sun
Carry a compass to help you along
Your feet are going to be on the ground
Your head is there to move you around So, stand in the place where you live
Now face North
Think about direction, wonder why you haven't before
Now stand in the place where you work
Now face West, think about the place where you live
Wonder why you haven't before Your feet are going to be on the ground
Your head is there to move you around
If wishes were trees the trees would be falling
Listen to reason
Season is calling Stand in the place where you live
Now face North
Think about direction, wonder why you haven't before
Now stand in the place where you work
Now face West, think about the place where you live
Wonder why you haven't before If wishes were trees the trees would be falling
Listen to reason
Reason is calling
Your feet are going to be on the ground
Your head is there to move you around So stand (stand)
Now face North
Think about direction, wonder why you haven't before
Now stand (stand)
Now face West
Think about the place where you live
Wonder why you haven't Stand in the place where you live
Now face North
Think about direction, wonder why you haven't before
Now stand in the place where you work
Now face West, think about the place where you live
Wonder why you haven't before Stand in the place where you are (now face North)
Stand in the place where you are (now face West)

Your feet are going to be on the ground (stand in the place where you are)
Your head is there to move you around, so stand (tand in the place where you are)
