

# I Bet (R3hab Remix)

Ciara

I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you  
I bet you start needing me  
Soon as you see me with someone else  
Somebody other than you  
And I know that it hurts  
You know that it hurts your pride  
But you thought the grass was greener on the other side  
I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you So I'm s'posed to believe that it's Feeling's calling' ova?  
I'm s'posed to believe that they're asking' you if you're home  
I went bowlin' yesterday, by me  
Can't get that ova me, not me  
I love you but I won't be a fool for you  
That is just something' that I wouldn't do, babe  
I mean I'mma stay if you could tell the truth  
But you can't, no matter how much time I ask Is that your chick over there giving' me the ugly stare  
The one with the silicone ass, and the brazilian hair  
You ain't gon' respect me no no no till I'm not there  
See, I got you comfortable, now you ain't really scared I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you  
I bet you start needing me  
Soon as you see me with someone else  
Somebody other than you  
And I know that it hurts  
You know that it hurts your pride  
But you thought the grass was greener on the other side  
I bet you start loving me  
As soon as I start loving someone else  
Somebody better than you So you bought me a car  
He can buy that too  
I can take care of myself  
And I can find someone to do it too, baby  
You actin' like you upgraded me  
I upgraded you  
You and me fashion week at Paris

I put you on to that new  
But you took advantage of me  
Took advantage of you, took advantage  
I cannot understand it, I cannot understand it  
I cannot understand it  
I thought you'd always be there for me, yeah yeah  
But if you ask me if I knew betta now  
Hell yeah So you can keep that chick ova there  
Giving' me the ugly stare  
The one with the silicone ass, and the brazilian hair  
You ain't gon' respect me no no no till I ain't there  
See, I got you comfortable, now you ain't really scared I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you  
I bet you start needing me  
Soon as you see me with someone else  
Somebody other than you  
And I know that it hurts  
You know that it hurts your pride  
But you thought the grass was greener on the other side  
I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you Baby, tell me what's it, gonna take to keep it  
All the way one hundred  
You won't get it till I'm gonna away (away) I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you  
I bet you start needing me  
Soon as you see me with someone else  
Somebody other than you  
And I know that it hurts  
You know that it hurts your pride  
But you thought the grass was greener on the other side  
I bet you start loving me  
Soon as I start loving someone else  
Somebody better than you I hate, hate that I'm singing this song  
Singing this song  
'Cause I love you (I love you)  
Right now it's killing me  
'Cause now I have to find someone else  
When all I wanted was you
