Hallelujah

Nicol Sponberg

King of the nations
The Living Word, the one who broke the curse
All of creation is awaiting His returnThe Mighty Warrior who defeated sin
To save the souls of man
Like rolling thunder He is coming back again
Holding victory in His handHallelujah, Hallelujah to the Lamb
Glory, glory, glory to the great I Am
Every tongue and nation
Will confess that He is LordThe armies of Heaven
Follow like a flood behind the rising Son
He brings redemption
His robe is dipped in bloodThe forces of evil
And all His enemies will crumble at His feet
The Son of God and Son of Man
Before His power, who can stand?Hallelujah, Hallelujah to the Lamb
Glory, glory, glory to the great I Am
Holy, holy, we will bow before His throne
Every tongue and nation
Will confess that He is LordHoly, glory, power, praise
Holy, glory, power, praiseHallelujah, Hallelujah to the Lamb
Glory, glory, glory to the great I Am
Holy, holy, we will bow before His throne
Every tongue and nation
Will confess that He is LordGlory, glory, glory to the great I Am
Holy, holy, we will bow before His throne
Every tongue and nation
Will confess that He is Lord
