

Lento

Youn Sun Nah

Sun scatters light through the grass
Lotus blows, as I pass
Leaves rustle gently
And trees give me shade, as I pass
How sweet is nature's embrace
All my woes fade away
I'm always on the run and I hate copy past for god's sake
I'm slowing down in my mind
Rest my soul in your arms
Moon sheds her white soothing grace
Fireflies glow as I pass
Sweet fragrant air blows my hair
Dewdrops fall, as I pass
How sweet is nature's embrace
All my woes fade away
I set my burden down here
To you, let me draw near
