

# Ev'rybody Know Me

## Youngbloodz

(I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know m  
I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know me cause I'mma superstar)

I slide everyday bitch im just waiting on my drop top  
Purchased it wit cash money straight up off tha lot doc  
This aint from no chop shop,damn near spent my whole wat  
Call me for murda cause im fixin to make they heart stop  
Nigga ima playa get a wit 'em at tha next bloack  
Keep on working nigga keep on punchin in these clocks  
Keep on steppin clost to me I swear you might get shot dawg  
Its Sean Paul remember Shake Em Off  
Was only 17 when they first broke me off  
And eva since den ive been working stackin bread  
Buyin diamonds shiny buyin cars and getting head nigga

(I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know m  
I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know me cause I'mma superstar)

See ima give it to you straight nuthin but tha real  
Im major in this game wating on my next deal  
Got a house wit no kids wit a pool in tha back  
Wit money on my mind so u know I keep them stack  
And if know me goan holla at a playa  
I make big moves so I'll tell ya bout it lata  
Ima certifiedpimp doin whut I love most  
Like fuckin fly hoes smokin weed coast to coast  
Wit some playa ass patnas wit some playa ass ways  
We will take ya down if its time upta play  
And everybody knows you can see it how we ride  
Sittin high on them thangz middle finger to tha sky

(I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know m  
I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know me cause I'mma superstar)

Now you can catch me in tha bar takin shots by tha rounds  
Up in V.I.P. bitch u know its goin down  
Got a stack of this sticky aint lookin fo no problems  
But I got a lil sumthin just in case we got to solve it  
Bitch im from tha A yea tha mayor of tha south  
Fixin to do it big yea you know whut we about

Yea always stayin sharp come straight out tha cleaners  
Smoke 2 blunts up out my own dont make it a mistermeaner  
A benz or a beamer,like new church drive  
I'll tell ya hold tha meaner when I pull up in my ride  
Call me trick daddy I slide but I dont slip  
And do a damn foo thinkin it aint on my hip bitch

(I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know m  
I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know me cause I'mma superstar)

(I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know m  
I make big money I drive big cars everybody know me  
I make big money I drive big cars everybody know me cause I'mma superstar)
