

Can We Go Back

Aaradhna

Remember the days when we used to chill
We didn't have a care in the world
We used to laugh together
Blaze it up and walk 'round the creek We're sing on a time
When we used to skip class together
I could never forget uh
Never forget my good friends Can we go back? i wanna go back
Take me back to the day when we used to play
Can we go back? i wanna go back
Take me back to the day when we used to play
Take me back, take me back oh yea Summertime, ride through, it's hot as hell
I swear it ain't hot like it used to be
Laughing, the music was fire
Why did i had to go leave and retire? We're sing on a time
When things were much better way back then
I could never forget uh
Never forget the time spent oh oh Can we go back? i wanna go back
Just for a moment, a moment back in time
Can we go back? i wanna go back
Take me
Can we go back? i wanna go back
When we were so young and our hearts would run free
Can we go back? i wanna go back
I heard it's foolish to say
That things were better back in the day
But i swear it ain't the same
You know that they got it wrong with the change But can we go back?
Just one time
You and i
Can we go back? Can we go back? i wanna go back
Take me back just one time
Can we go back? i wanna go back
Can we?
Can we go back? i wanna go back
When we were so young oh oh oh
Can we go back? i wanna go back
Can we?
