Dark

Sick Things

I'm walking in the park
And I'm talking to the dark
But there ain't nobody listening no
My heart has turned to stone
When I found myself alone
Now all I do is whisper to the dark

Yeah
yeah

There's only so much you can take
You've gotta to give yourself a break
But I don't think you're listening no no no no
If you're gonna take it all so hard
You gonna tear yourself apart
I can understand you miss him in the dark

oh oh oh
Yeah, teach your heart how to sing get the courage again now
Yeah, take the 10:50pm train to the city
Yeah, I had a chance for romance so I do it again now

If love is no longer being served
You've got to leave the table
Mister aznavour told me, merci beaucoup
Though I miss him, got to let go
Though I miss him, got to let go
Let it go

It's about that time to leave it all behind you
You don't want to but life is passing by you
The hard knocks, got you twisted like dreadlocks
Catalogue your dark and set some new marks
I understand your body's filled with hesitation
Trust me it's gonna be a whole new situation
Turn this page I guess you know what to do
Rise up like phoenix I'm bringing out the beauty in you

Yeah, teach your heart how to sing get the courage again now
Yeah, take the 10:50pm train to the city

Yeah, I had a chance for romance so I do it again now

oh no no no
come on come on come on
(x 4)

oh yeah oh yeah
