Everest

Alex Isley

Oo oo oo oo oo oo-oo
Oo oo oo oo oo
Ooo oo oo oo oo oo-oo
Ooo oo oo oo oo

To the top of Everest
Couldn't tell me nothin', no
Now the place I'm headed
I can see Everest below

One time I never thought that I would be
Telling my story like this
I had ideas about how life would read
and this is so much better

Found a brand new mountain
Higher than my yesterday
And I'll keep on climbin'
Everest won't see me again
