Promised Land

The Milk Carton Kids

Every now and then
I'm gonna make you cry
You won't remember when
I won't remember whyEvery peace I find
Seems to rise to say
Live for every light
Live for every dayI raise my hand
I raise my hand
I raise my hand
I raise my hand
I raise my hand to the Promised LandLittle girl
You're all we've got for now
You gotta find a way
To save us nowIt's turning dark and
Soon the chill will come
If you find it in your heart
Would you find me some?I raise my hand
I raise my hand
I raise my hand
I raise my hand
I raise my hand to the Promised LandI'll say goodbye and
Say farewell it seems
My work is done
No more chasing dreamsAnd if you left
Leave my heart to spare
We could part
But I'd still find you thereI raise my hand
I raise my hand
I raise my hand
I raise my hand
I raise my hand to the Promised Land
I raise my hand to the Promised Land
