

Promised Land

The Milk Carton Kids

Every now and then
I'm gonna make you cry
You won't remember when
I won't remember why Every peace I find
Seems to rise to say
Live for every light
Live for every day I raise my hand
I raise my hand
I raise my hand
I raise my hand
I raise my hand to the Promised Land Little girl
You're all we've got for now
You gotta find a way
To save us now It's turning dark and
Soon the chill will come
If you find it in your heart
Would you find me some? I raise my hand
I raise my hand
I raise my hand
I raise my hand
I raise my hand to the Promised Land I'll say goodbye and
Say farewell it seems
My work is done
No more chasing dreams And if you left
Leave my heart to spare
We could part
But I'd still find you there I raise my hand
I raise my hand
I raise my hand
I raise my hand
I raise my hand to the Promised Land
I raise my hand to the Promised Land
