Out On the Wine Dark Sea

Jolie Holland

Out on the wine dark sea, my pretty baby and me
What do you mean when you say life is so long?
All I know is I'm coming home to Maman
And Maman is so
Maman is so Erzulie DantoUpon my tete
I wear my hat
And a long black coat
Sunglasses crackedThe smoke rise up
I pull you down
Down to the floor
Drag you aroundGhostly girl sure has grown
I ain't going to tell you what her car runs on
Sweet Mama in a yellow dress
Leave your heart in a white hot mess
Maman, Maman is so
Maman is so
Maman is so Erzulie DantoThat loup garou will come for you
When you come to, you're all black and blue
Walking past the graveyard on your way home
Sing that song pour Ma Baron
Maman! Maman is so
Maman is so Erzulie DantoMa belle jolie Madame [Ochun]
We'll sing your songs pour la claire de la lune
Meet you by the gates
Dance on the stones
Never get out of this world alone
Maman take you by the hand
Lead you out of this sorrowful land
Maman, Maman is so
Maman is so
Maman is so Erzulie Danto
