Closer to My Dreams

Young Devi D

Closer to my dreams.
Iâ€™m getting higher, closer to my dreams.
Iâ€™m getting higher and higher, feel it in my sleep.
Sometimes it feels like Iâ€™ll never go pass me.
Sometimes it feels like Iâ€™ll sit forever and ever.
But Iâ€™m going higher, closer to my dreams.
Iâ€™m going higher and higher, I can almost breathe.
Sometimes you just have to let it go.
Leaning on my fears to grind doubt.
Push them all away so I can move on.
Closer to my dreams.
Fear it all over my feet.
Close your eyes and see what you believe.
The path is longer.
And Iâ€™m moving to my dreams.
Iâ€™ll be moving higher.
Closer to my dreams.
Higher and higher, higher.
Feel it in my veins.
I know that I could not go alone.
Iâ€™m moving higher and higher.
Iâ€™m going higher and higher.
Closer to my dreams.
Iâ€™m moving upward and over and beyond all I can see in my arms so I can reach.
Iâ€™m so close itâ€™s like streets.
I can feel my dreams.
Iâ€™m moving closer to my dreams.
Iâ€™m moving higher and higher.
Higher and higher.
Sometimes it feels like you went growing change.
Never growing change.
But you never choose to walk away.
