As you walked out the door
Your words stuck in my head
And they're circling like birds and starsCHORUS
You said
My heart is no weapon, in fact
My heart is a gate
My heart is open and unafraid
and its waiting for
you to find your way inVERSE 2
When we're old

the open mouth kiss offered to you
on the porch swing
under a blanket of stars?CHORUS
(you said) My heart is no weapon
My heart is a gate
My heart is open
My heart is afraidREFRAIN
