

# I'm Committed To You, Lord

## The Taylors

Lord, am committed to you

1. Here i am Lord, i'am committed to your precious will, i am ready, i am waiting your desire to ful-fil, speak to me lord, now and tell me what you want me to do, lord all that i have is committed to you

Chorus

Committed to you, lord, i'm committed to you, your blessed will lord is what i want to do. Take my life lord and keep it in complete control, make me an instrument to win a lost soul

2. Humbly now Lord i surrender all my life to you, my desire, lord is to please you in whatever i do, just to serve you is a pleasure, i gain more then i give, lead me blessed lord, ev'ry day that i live.
