••LOST••

(Lyrics: Asha Puthli •• Music: Mauro Paoluzzi)

suddenly it struck me, I•™d thrown my life away
where is that ambition, has it gone astray
didn•™t know what happened, don•™t have much to say
didn•™t know what happened, I•™ve let the time slip away

lost my religion, I•™ve lost my faith
lost my direction, lonely again
lost all the answers, I thought I had found
lost all the time, that will never come back
I•™ll hang out a sign that says hey, hey what•™s going on, help me out
hey what•™s going on, help me out

suddenly it struck me, I•™d thrown my life away
where is my ambition, have I lost my way
didn•™t know what happened, don•™t have much to say
didn•™t know what happened, I•™ve let the time slip away

lost my religion, I•™ve lost my faith
lost my direction, lonely again
lost all the answers, I thought I had found
Lost all my senses, I•™ve lost my ground
I•™ll hang out a sign that says hey, hey what•™s going on, help me out
hey what•™s going on, help me out

most of us have lost some thing or the other, oh yes, but how many of us
how many of us have lost everything in life, that•™s right everything
