Help Me Know Your Ways - Ps.25

Michael Mangan

Help me know your ways, Lead me, teach me to follow. Help me know your ways, O my God. Show me your paths, O God, Lead me in your ways. Guide me, teach me your truth. I know you will always keep me safe. I place my hope in you, Each and every day. You are always good to me. Gently show me yours ways. God is good and strong, Helping those who stray. Guiding us on the path, Leading us on the way.
