

# Let's Start Again

**Bap Kennedy**

Let's not talk about the old days  
You'll just make me cry  
Sometimes love has no reason and no rhyme  
We have all the things we need  
You and I  
But baby baby we don't have much time  
Let's just start again  
Let's start again and leave here tonight  
Only take what we can carry  
Let's travel light  
This world won't let me breathe  
It was built on lies  
Oh baby baby we don't have much time  
Oh come on baby this game is lost  
There must be something made just for us  
Something that I've gotta see with my own eyes  
Oh baby baby we don't have much time  
Instrumental  
We must deal with the past and then let it go  
Get some distance at last and peace in your soul  
All those years I saw right through that thin disguise  
Oh baby baby we don't have much time  
Oh baby baby we don't have much time  
Baby we don't have much time
