Something More Beautiful

P.y.t.

Something more beautiful, something more beautiful
I want something more, something more beautiful
I need something more, something more beautifulI, I want something more
I want something more from you, boy
You want us to be friends, I'll be losing again
Don't you know what I want from you, baby?
Something more beautifulOh, baby, you got me, you got me wrapped around you
Anything you would say would make me go insane
'Cuz I think about us all the time
I'd love you forever if you were mine, oh, ohI, I want something more
I want something more from you, boy
You want us to be friends, I'll be losing again
Don't you know what I want from you, baby?
Something more beautifulOh, baby, you know it, you've got to make your mind up
Why don't you just tell me what you are waiting for?
'Cuz I think about us all the time
I'd love you forever if you were mine, oh, ohI, I want something more
I want something more from you, boy
You want us to be friends, I'll be losing again
Don't you know what I want from you, baby?
Something more beautifulI, I want something more
I want something more from you, boy
You want us to be friends, I'll be losing again
Don't you know what I want from you, baby?
Something more beautifulOoh, I want us to be more than friends
My love for you would never end
If only you believed, baby, can't you see?
It's got to be you and meI, I want something more
I want something more from you, boy
You want us to be friends, I'll be losing again
Don't you know what I want from you, baby?
Something more beautifulI, I want something more
I want something more from you, boy
You want us to be friends, I'll be losing again
Don't you know what I want from you, baby?
Something more beautiful
