

If It Takes All Night

Janet Jackson

I've got my eyes on you, you're playin' with peek a boo
And it's so exciting there's such a chemistry between you and me
So there's no use fighting don't say, "It's so good J"
Just give your heart away 'cause I'll find the words to say
If it takes all night, if it takes all night, honey
Gonna make you mine if it takes all night
Gotta find a way to get inside your heart tonight
Ooh, I'll make the lovin' right if it takes all night
I hear the people say love's just a game
You play for the competition
Even some friends of mine say that I'm wastin' time
But my heart won't listen
I know they want you too they say I won't get through
But it will be me and you
If it takes all night, if it takes all night, honey

Gonna make you mine if it takes all night
Gotta find a way to get inside your heart tonight
Ooh, I'll make the lovin' right if it takes all night
I know my lover when I see him in disguise
And I won't give up 'til I see that fire in your eyes
If it takes all night, if it takes all night, honey
Gonna make you mine if it takes all night
Gotta find a way to get inside your heart tonight
Ooh, I'll make the lovin' right
If it takes all night, if it takes all night, honey
Gonna make you mine if it takes all night
Gotta find a way to get inside your heart tonight
Ooh, I'll make the lovin' right, if it takes all night
