

Cutdown

Matt & Kim

Check, check, check
Check, checkLet's cut down the day
In this green rusty van
Like a red Cadillac
Top down, shoulders tanI bought my first watch
But it feels all wrong
Let's wait out the day
Bring the heat alongAnd when the timing's right
Hold up, wait
We'll pull to the side
Arms up, count it down
Just likeFive, four, three, two, one
The checkered flag
Means we've just begun
Let's cut it down
Let's cut it downAnd we cut down
The day in my old van
Count down from
Five, four, three, two, one
