Menage A Trois

Pretty Ricky

Yea, yea
Amm hmm
Alright
Ahh
I was thinkin' on the weekend
We could get a little freaky
I could call some of my girlfriends
(Menage a trois)
I was thinkin' on the weekend
We could get a little freaky
I could call some of my girlfriends
(Menage a trois)
Show me what that body do like
Wanna do everything that you like
Your girl, lookin' way cool
How 'bout we hook up tonight?
Jacuzzi, sweet hotel, dirty movies, oh that's swell
I'm such a freak, oo, la, la, groom me with that tail
Down an' dirty, rough an' rugged, dawg nasty because you love it
She go kiss it, you go rub it
Livin' out my fantasy
Baby come an' dance for me, you got that candy cream
Let me see you pull your panty string
Let your thong slide to the side
Chica open wide an' let us do that thang, thang
Baby girl you know that's right
Its kinda vicious though
Its kinda pimpish though
This caramel coated candy cane is so delicious though
Show me what your body do
You can bring your girlfriend too
We can have a rendezvous
(Menage a trois)
We can have a drink or two
You can bring your girlfriend too
We keep it on the cool
(Menage a trois)
Show me what your body do
(Ohh)

You can bring your girlfriend too
(Whoa)
We can have a rendezvous
(Yea, yea, yea, yea)
(Menage a trois)
We can have a drink or two
(Ohh)
You can bring your girlfriend too
(Whoa)
We keep it on the cool
(Yea, yea, yea, yea)
(Menage a trois)
Let me show you what my body do
Put it on her then put it on you
Little freaky rendezvous
Yea, we keep it on the cool
Three's company, so come with me
Got enough to make two feel lovely
He kissin' me, she rubbin' me
She lickin' me, he fuckin' me
You wanna watch, you wanna see
How me and my girlfriend get nasty
We some freaks up in these sheets
And a perfect fantasy
But you need a man with stamina
Who can take two women that handle them
Like a playa don took Viagra
Workin' it till he see the sun
How to get that nasty girl
Testin' me, I'm a rock your world
Got skills like a pro blond
Plus you know I got that bomb pearl
So blue, I'm roll with you
Yea, me and my home girl too
We gonna take it to the room
So baby what it do?
Show me what your body do
You can bring your girlfriend too
We can have a rendezvous
(Menage a trois)
We can have a drink or two
You can bring your girlfriend too
We keep it on the cool
(Menage a trois)
Show me what your body do

(Ohh)
You can bring your girlfriend too
(Whoa)
We can have a rendezvous
(Yea, yea, yea, yea)
(Menage a trois)
We can have a drink or two
(Ohh)
You can bring your girlfriend too
(Whoa)
We keep it on the cool
(Yea, yea, yea, yea)
(Menage a trois)
Let me see you break your back
Baby girl take all of that
Let me see you break your back
Uh, oh, I think she swallowed that
I got the mirror on the top of my bed
And got that Magnum P.I. for the top of my head
(Never slip no)
Let's keep it all too gravy
Me an' you lovely ladies, sippin' hypnotic, gettin' exotic
Man it feels so crazy
So let's keep all so gravy
Me an' you lovely ladies, sippin' hypnotic, gettin' exotic
Man it feels so crazy
You know I like to watch
You know I like to see it
I'm kinda freaky mama
Oh baby please believe it
You know I like to watch
(You know I like to watch)
You know I like to see it
I'm a kinda freaky mama
(You know I like to see it)
Oh baby please believe it

You can bring your girlfriend too
We can have a rendezvous
(Menage a trois)
We can have a drink or two

We keep it on the cool
(Menage a trois)
