

I Like It

We The Kings

Advisory - the following lyrics contain explicit language:

You've got a tendency in taking all your clothes off
Oh man hot damn you've got a body like oh oh oh oh
You've got a part of me addicted to the moment
Oh man hot damn I've fallen hard like oh oh oh oh I like it Oh from the minute you walked in my life
I've never felt so alive 'cause everything I did was wrong
But everything I do feels right
I love it when you make me laugh
I love it when you make me cry
'Cause everything I did was wrong
But everything I do feels right oh oh oh oh I like it oh oh oh oh
I like it You've got a temperature that fever feel that's so nice
Oh man hot damn I'm burning up like oh oh oh oh
She got me coming going til the morning sunlight
Oh man hot damn we going down like oh oh oh oh I like it Oh from the minute you walked in my life
I've never felt so alive 'cause everything I did was wrong
But everything I do feels right
I love it when you make me laugh
I love it when you make me cry
'Cause everything I did was wrong
But everything I do feels right oh oh oh oh I like it oh oh oh oh So let me see you break it down
Yeah yeah
So let me see you break it down
Yeah yeah
So let me see you break it down
Oh oh oh oh oh yeah
So let me see you break it down
Oh oh oh oh yeah yeah Oh from the minute you walked in my life
I've never felt so alive 'cause everything I did was wrong
Now everything I do feels right
I love it when you make me laugh
I love it when you make me cry
'Cause everything I did was wrong

Now everything I do feels right oh oh oh oh I like it oh oh oh oh
I like it You've got a tendency for taking all your clothes off
Oh man hot damn you've got a body like oh oh oh I like it
