Nigga west side
West side in this motherfucker
West side in this motherfucker right here
West side in this motherfucker
West side in this motherfucker right here
West side in this motherfucker
West side in this motherfucker right here
West side in this motherfucker
West side in this motherfucker right here
West side in this motherfucker
Can't nobody stop us when we blunted up and swervin'
Packed in a suburban, screamin' outlaw runin' on the curb
They never try me 'cause right behind me your killer team
I get a word cut the head off a nigga like a guillotine
This Hennessey'll keep me calm though sittin' in the back of the club
Tadin' convo livin' like a Don in my own mind Signal Kadafi
Nigga watch me with the chrome nine all the time drinkin' champagne
Walk through the crowd let the tramps
hang niggas playa hate
But do a damn thing picture me doin eighty down a one way
Stuck in the trunk, caught with gun play so I gotta keep my eyes open
Gettin' high, wonder why we gotta die smokin' my alibi, I'm victory
Like them other vile men I'm marked for death
Spendin' my nights like its the last one left I'm an outlaw
Am I wrong, I wanna get it goin' on
Last to leave, till I see everybody's gone
I'm at the bar you can catch me hands full of liquor
Puffin' on a sweet swisher I'm the last one left
Tell me am I wrong, I wanna get it goin' on
Last to leave until I see everybody's gone
I'm at the bar you can catch me hands full of liquor
Puffin' on a sweet swisher, guess I'm the last one left
I got my back against the wall got chillin' by my balls
Prior to war is rider nigga only five six tall
Napoleon only knows on we outlaws fuck fear
Better strap down to the feelin's 'cause we out yeah
Thug passion all up in me feelin' like I took some Henne
It ain't easy I'm tryin' to make a dollar out of two
pennies
What we got with these rap niggas wanna pull they're gat niggas
Only got my side 'cause they think Pac die nigga
Last niggas with our tape take a shot within our vest
Pac come and catch weight nigga we the last ones left
If we woulda known the zone inside my own dome
Fresh outs jail it was hell but I'm probably home
Lookin' for niggas that was roofin that shit when I was locked back
Hands on the pump, make 'em jump when its cocked back
Fuck 'em all they're bitches inside a world of weak

Bitch niggas be afraid to speak we the last ones leftTell me am I wrong, I wanna get it goin' on

 Last to leave, till I see everybody's gone

 At the bar you can catch me hands full of liquor

 Puffin' on a sweet swisher like I'm the last one left

 Am I wrong, I wanna get it goin' on

 Last to leave till I see everybody's goneAt the bar you can catch me hands full of liquor

 Puffin' on a sweet swisher, last one left

 Am I wrong, I wanna get it goin' on

 Last to leave till I see everybody's gone

 At the bar you can catch me hands full of liquor, yeah

 Puffin' on a sweet swisher, I'm the last one leftI eat and sleep the worst shit, turfs and birth

 Me and my team super supreme putin in work

 And wify beefin' wanna know if she gonna see me tonightAnd I know it ain't right, but its the life I got
