Younger Now

Ingrid Olava

I hear flowers hum and flowers illuminating flowers
Under the snow
I feel blood I feel my blood I feel my blood pass
Making me glow

You say you know me
But you don't even know yourself

I am younger now
I am younger now
Than when you hurt me
Than when you hurt me

Don't be upset the closer we get the faster we'll get to where
Your hands go numb and you let go
Swords and silk champagne and milk you taught me to be hard
Baby now I know

My heart's a diamond
So now my heart can never break again

I am younger now
I am younger now
Than when you hurt me

I am younger now
I am younger now
Than when you hurt me
Than when you hurt me

Than when you hurt me
Than when you hurt me

I am younger now
I am younger now
Than when you
when you hurt me

Than when you hurt me

Than when you hurt me

Whoa oh
Whoa oh

I am younger now
I am younger now
Than when you hurt me

Than when you hurt me
Than when you hurt me
