

# Hold on Me (feat. Mammals)

Sam Padrul

I caught the train across the border around seven or eight  
And I'm running later than I thought, but I don't really mind anyway  
Rolling with mountains, climbing with the break of the day  
What can I say? What can I say Nothing like the present  
Giving up your past  
Leaving for the moment  
Love is all we ask  
Higher than a feeling  
Lighter 'cause we laugh  
Always moving forward  
The rhythm's coming back Nothing like the present  
Giving up your past  
Leave it on a moment  
Love is all we ask  
Higher than a feeling  
Lighter than a laugh  
Always moving forward  
We got nothing to be sad for (Coming your way)  
(Coming your way) I felt the world you were wondering was fading of late  
Little spark is in your eyes, it's kindling into a new flame  
Rolling with the punches, climbing to the top and away  
What can I say? (Hold on me) Nothing like the present  
Giving up your past  
Leaving for the moment  
Love is all we ask  
Higher than a feeling  
Lighter 'cause we laugh  
Always moving forward  
The rhythm's coming back Nothing like the present  
Giving up your past  
Leave it on a moment  
Love is all we ask  
Higher than a feeling  
Lighter than a laugh  
Always moving forward  
We got nothing to be sad for (Hold on me)  
Always moving forward  
We got nothing to be sad for

(x4)
