

Beam Me Up (feat. Boss & Swan)

[ATB](#)

I only wanna go away
If you there with me
And everything I stand again
Stand again you give me
So hold on tight to my satellite Beam me up tonight from underneath the sky
underneath the Sky
Leave gravity behind you and me ignite we ignite
Make me feel alive Make me feel alive
Beam me up tonight I'll never find another place
Another place that feeds me
I have searched to the end of atmosphere
And you are the only thing so clear So hold on tight to my satellite
Beam me up tonight from underneath the sky
underneath the Sky
Leave gravity behind you and me ignite we ignite
Make me feel alive Make me feel alive
Beam me up tonight
