

Burn

Rob Zombie

Burn into darkness
The last unholy reject
Burn as the world ends
Stand accused and count this
Burn out the stigma
A murder done in portrait
Burn up the fortress
The last unholy reject
Papa, oom, mow, mow
Papa, oom, mow
Burn as the angels
Worm into the fixes
Burn with the facts of
Optic dimension
Burn with the hero
Splashing on the highway
Burn like a cable
Strung across it sideways
Papa, oom, mow, mow
Papa, oom, mow
Burn into darkness
The last unholy reject
Burn as the world ends
Stand accused and count this
Burn out the stigma
A murder done in portrait
Burn up the fortress
The last unholy reject
Papa, oom, mow, mow
Papa, oom, mow
