

A Stranger

A Perfect Circle

Cast the calming apple
Up and over satellites
To draw out the timid wild one
To convince you it's alright
And I listen for the whisper
Of your sweet insanity while I formulate
Denials of your affect on me You're a stranger
So what do I care
You vanish today
Not the first time I hear
All the lies What am I to do with all this silence
Shy away, shy away phantom
Run away terrified child
Won't you move away you you fuckin tornado
I'm better off without you
Tearing my will down
